

### **Compass Solutions to Support DHS New Headquarters at St. Elizabeth**

Compass Solutions has been engaged by the winning team members of the Alliant acquisitions contract to provide support under a task order to the Department of Homeland Security. The winning team led by General Dynamics will support the GSA's Federal Systems Integration and Management Center which awarded the task order as part of the Alliant government-wide acquisition contract. The task order has a ceiling of \$867 million if all options are exercised.

Compass Solutions will provide sourcing and recruiting of Subject Matter Experts and senior level engineers and analysts who will help staff the project and deliver superior solutions to DHS. According to Compass Solutions Principal, Anthony Onyewuchi, this is a testament to the recognition in the IT marketplace of Compass Solutions prowess in marshaling resources and providing the most qualified professionals needed to successfully deliver complex projects.
